RIGHT PLACE. RIGHT TIME.

Siddha Suburbia has easy access to Southern Bypass (EM Bypass extension) and NSC Bose Road. Just 2 km off Baruipur on the eastern bank of Adi Ganga and 5 km from Ramkrishna Mission, the project enjoys a good location.

It is easier to get to Baruipur more than ever before. The spot is directly connected to most parts of the city through railways.

Connections from Sealdah pass through the area linking Canning - Diamond Harbour and Kakdwip.

Several bus and auto-rickshaw routes have enhanced the area's connectivity to Kolkata. The nearest metro station is Shahid Khudiram. The EM Bypass has been widened by two lanes from Garia to Kamalgazi.

A flyover is already operational connecting EM Bypass from Kamalgazi to roads alongside Adi Ganga.

A road overbridge, functional since 2013, is addressing the level-crossing congestion.
